Making the Dream a Reality

5th Annual Candlelight Vigil & Unity Day BBQ

Thank you to all who visited the Philando Castile Community Peace Garden for the 5th Annual Candlelight Vigil and Shovel Ceremony as well as the Unity Day BBQ at Falcon Heights City Hall this past month. Despite the rain, there was an incredible turn out! We are continually inspired by the support and passion from the community.

Please enjoy these images from the events!

Photos above after from the Candlelight Vigil, photos below are from the Unity Day BBQ.

Construction Progress

Construction on the Peace Garden renewal is under way! Flannery Construction has cleared the area and poured the foundation for what will be a truly unique gathering space to remember and honor Philando.

Flannery's Project Manager said: "Today [8/13/21] we poured the concrete disk. Everything went smooth and we are looking to set the precast benches next week and get started with landscaping."

Thank you to all who have donated and supported this project, we are so excited to see the garden renewal unfold. There is still lots of work to be done so please encourage friends and family to make a donation and stay tuned for more garden updates!
